

Europass Curriculum Vitae

Personal information

First names / Surname **Emilio A. L. Gianicolo**
Address Grosse Kirchenstrasse 11, Mainz-Kastel, 55252 GERMANY
Telephone +49 (0) 6131 174577
Fax +49 (0) 6131 172968
E-mail emilio.gianicolo@ifc.cnr.it / gianicolo@uni-mainz.de
Nationality Italian
Date of birth 17th January 1973

Work experience

Dates	From September 2013
Occupation or position held	Visiting Researcher
Main activities and responsibilities	Radiation epidemiology
Name and address of employer	University of Mainz, Institute of Medical Biostatistics, Epidemiology and Informatics
Type of business or sector	Public organization
Dates	From May 2005
Occupation or position held	Researcher, permanent position
Main activities and responsibilities	Clinical and environmental epidemiology. Coordinator of Epidemiology and Statistics Unit
Name and address of employer	National Research Council – Institute of Clinical Physiology, Lecce
Type of business or sector	Public organization
Dates	From September 2003 to April 2005
Occupation or position held	Researcher
Main activities and responsibilities	Clinical and environmental epidemiological projects
Name and address of employer	Euro Mediterranean Scientific and Biomedical Institute, Brindisi
Type of business or sector	Non profit company
Dates	From September 1998 to August 2003
Occupation or position held	Researcher
Main activities and responsibilities	Data analysis, survey field organization, international cooperation
Name and address of employer	National Institute of Statistics (ISTAT)
Type of business or sector	Public organization
Dates	From September 2007-June2013
Occupation or position held	Ethics committee member as biostatistician at the Brindisi General Hospital
Dates	From September 2009
Occupation or position held	Consultant in two Lawsuits, for evaluating and conducting epidemiological studies.

Education and training

Dates	October 1997
Title of qualification awarded	Degree in Economic and Statistic Science (110/110 cum laude)
Principal subjects/occupational skills covered	Descriptive and inferential statistics, sampling, multivariate analysis
Name and type of organisation providing education and training	University of Bari
Dates	2003
Title of qualification awarded	Master degree in operative research and decisional strategies (70/70)
Principal subjects/occupational skills covered	Statistics, informatics, sampling, organization
Name and type of organisation providing education and training	University of Rome "La Sapienza"
Dates	From 14 th June to 9 th July 2010
Title of qualification awarded	European Educational Programme in Epidemiology - 23 rd residential Summer Course
Principal subjects/occupational skills covered	Occupational social and environmental epidemiology, statistical models in epidemiology
Name and type of organisation providing education and training	EEPE, sponsored by International Epidemiological Association, the WHO Centre for Environment and Health and the Italian Association of Epidemiology. Florence
Dates	From September 2014
Title of qualification awarded	Different Courses in epidemiology and biostatistics
Principal subjects/occupational skills covered	Advanced methods in biostatistics and epidemiology; Systematic review and Meta-analysis; Scientific writing; Presentation and rhetoric; Spatial Epidemiology
Name and type of organisation providing education and training	University of Mainz and Bielefeld
Dates	May 1998 – Current
Title of qualification awarded	German language intensive courses. Currently C2 course
Principal subjects/occupational skills covered	B2 – Goethe Institute Zertifikat
Name and type of organisation providing education and training	VHS-Kassel and Mainz. German Language School - Berlin

Research grants

Dates	January 2015 – January 2016
Title	<i>Epidemiological study on population living in Manfredonia - a City "area at high risk of environmental crisis" by the Italian Ministry of Environment</i>
Role & founder	Co-Principle investigator / City of Manfredonia
Dates	December 2012 – May 2015
Title	<i>Epidemiological study to evaluate the impact of occupational exposure to lead</i>
Role and founder	Principle investigator / Ministry of University Innovation and Scientific Research
Dates	January 2014 – February 2014

Title	Preliminary evaluation of environmental and health in the city of Sogliano Cavour
Role and founder	Co-Principle investigator / City of Sogliano Cavour
Dates	August 2011 – October 2012
Title	Caso-controllo per l'analisi delle anomalie congenite tra i neonati in un'area ad elevato rischio di crisi ambientale
Role and founder	Principle investigator / ASM Foundation for the study of Malformations
Dates	November 2012 – October 2013
Title	Analysis of congenital anomalies in Brindisi.
Role and founder	Principle investigator / ASM Foundation for the study of Malformations
Dates	2012 – 2013
Title	EPIA12 – Air pollution and epidemiological surveillance.
Role and founder	Coordinator of the operative research unit of Brindisi / Italian Ministry of health
Dates	2012 – 2013
Title	COPD. Models followed in the assistance of COPD patients.
Role and founder	Coordinator of a research unit for a study conducted in Brindisi / Italian Ministry of health
Dates	October 2009 – June 2011
Title	Health in the West-Bank. An international cooperation project.
Role and founder	Co-Principle investigator. Apulia Region
Dates	January 2007 – January 2008
Title	Eagle nest. An international cooperation project.
Role and founder	Co-Principle investigator. Apulia Region
LANGUAGES	Italian (mother tongue), English and German (B2)
Computer skills and competences	R, SAS, STATA and SPSS
Professional societies	Fellow of the International Society of Environmental Epidemiology. From April 2015, member of the organizing committee of the international congress which will take place in Rome August 2016. Fellow. Italian Epidemiology Society. From October 2012 to October 2014, member of the executive council.
Annexes	List of publications

List of publications

Articles

1. Abu-Rmeileh NM, **Gianicolo EA**, Bruni A, Mitwali S, Portaluri M, Bitar J, Hamad M, Giacaman R, Vigotti MA. Cancer mortality in the West Bank, Occupied Palestinian Territory. *BMC Public Health*. 2016 26;16(1):76. doi: 10.1186/s12889-016-2715-8. IF 2.264.
